Exhibition terms apply for the application and the A, and B agreement. The prices valid for the event are stated on the front page of this registration/agreement. Exhibitor's participation is subject to his indication of the exhibition programme. The exhibitor may only exhibit objects registered in this registration. By signing this application/agreement, the exhibitor acknowledges and accepts the exhibition conditions, and allows the organiser to process the data provided in the agreement in his data bases in accordance with the data protection law, and to use these data for the purposes of statistical processing, segmentation of participants, fulfilment of contractual and legal obligations, sending of offers, advertising material, publications and invitations to events, and for telephone, written and electronic information and surveys and to provide the information about the exhibitor to his contract partners. The organiser may process these data for 10 years after the last participation in fair or another event, or until a written revocation of the permission is received, except where the legislation in force provides different terms. The organiser reserves the right to decide upon admitting the exhibitor or the exhibits to the event.

2. Allocation of the Exhibition Stand

Home and foreign exhibitors, whose exhibits meet the topic of the exhibition, may exhibit at the exhibition. Commercial representatives and importers may exhibit the objects of the companies they represent. Success of the exhibition is in the interest of the organiser who decides upon admitting the exhibitor to the exhibition and allocating him the exhibition stand. The minimum exhibition space that the exhibitor can order covers 9 sq. m of unequipped indoor exhibition stand, and 10 sq. m of unequipped outdoor exhibition stand. Each modification of the allocated exhibition stand should be previously approved by the organiser. The organiser may displace or close the entrance and exit doors of the halls and, if necessary, perform other changes of the exhibition stands. The organiser decides upon these modifications at his sole discretion, always in the interest of the exhibition.
