

SOBRA

ALLIANCE OF TRUST!

SINCE 2003

# 10. JUBILEE INTERNATIONAL FAIR OF DEFENCE, SECURITY, PROTECTION AND RESCUE

25. – 27. 9. 2025

Gornja Radgona,  
Slovenia

Dear Sir or Madam,

The year 2025, in which the SOBRA International Defence, Security, Protection and Rescue Fair will celebrate its 10th anniversary, has been declared the International Year of Peace and Trust by the United Nations General Assembly. Both objectives, for which all people and institutions of good intentions are striving, certainly cannot be achieved without modernising defence know-how and equipment, especially those for dual purposes. Cyber security, military integration, civil defence, protection and disaster relief are also key issues. The SOBRA fair successfully offers all this. For more than 20 years, it has been working side by side with the Ministry of Defence of the Republic of Slovenia, the Slovenian Armed Forces, the Ministry of Internal Affairs, the Police, the Slovenian Administration for Civil Protection and Disaster Relief, the Firefighters Association of Slovenia and many advanced service and product providers for the values of peace, security and trust. In recent years, its promotional and marketing role has been strengthened in line with increasing efforts to prevent the consequences of natural disasters, epidemics and wars.

We invite you to effectively present your arsenal of know-how, weapons, tools, vehicles, equipment, accessories and services for strengthening defence, security, protection and disaster relief as well as resilience against modern risks at the 10th International Fair SOBRA, in Gornja Radgona, at the strategic crossroads of Slovenia, Austria, Croatia and Hungary.

Alongside producers, suppliers, civil society and volunteers, key Slovenian and international organisations will strive for the good of humanity and the individual. Their members will demonstrate their competence, know-how and equipment through dynamic presentations, professional exhibitions and conferences. They will meet with visitors at business, professional and educational events and offer them expert advice on self-protection and the protection of families and property.

Different generations of the Slovenian Armed Forces will present their skills, equipment, experience of international missions and personnel opportunities. Top athletes, employees of the Slovenian Army and the National Guard will perform. There will be a row of performances by the Military Orchestra. Slovenian Police units are preparing a presentation of techniques, equipment and procedures. Police officers will assist visitors with tips and demonstrations on personal safety and property protection. Dynamic presentations will be enlivened by performances of the Police Orchestra. The Slovenian Administration for Civil Protection and Disaster Relief, the Civil Protection Service and the operational structure of Non-Governmental Organisations will present new equipment, and ways of raising awareness, prevention, protection, rescue and assistance. Special attention will be given to raising awareness among children, young people and families. The Slovenian Firefighters Association will organise expert meetings and a rescue exercise in cooperation with the Slovenian Armed Forces and Police. The Firefighters Association is also organising a national competition for youth, veterans and member firefighters, and together with the Slovenian Administration for Civil Protection and Disaster Relief a competition for technical rescue in the event of a traffic accident.

We invite you to successfully present yourself at SOBRA 2025 with your indispensable offer for peace and security.

You are cordially invited to the Alliance of Trust!

President of the Management Board  
Janez Erjavec

## INTERNATIONAL COOPERATION

On the crossroads of 4 countries

## STRATEGIC AND INNOVATIVE

Safety, prevention and solidarity cooperation

## AFFIRMATIVE

High profile meeting for the business and general public

## ATTRACTIVE

Exhibitions, forum and dynamic presentations
